About The Firm

The Firm – Experienced Leaders – Innovative, Effective, Fast

The firm (“NAWLAW”) began as a one-person operation in 1979 and has since grown to include a staff consisting of more than 30 attorneys, paralegals and support personnel. Despite our steady growth, we have remained firmly committed to achieving outstanding results (i.e. approvals) for our clients and their foreign personnel. Our goal is to obtain the desired immigration benefit by providing the finest level of legal service available in a speedy manner. Clients know they can consistently expect outstanding service as well as expert legal advice and guidance. Our clients from around the world recognize that we are truly experts in terms of our ability to quickly understand, handle and navigate challenging situations and successfully solve a broad variety of immigration problems and issues.

OUR RESULTS SPEAK FOR THEMSELVES

We are proud to report that during the past year we obtained a **100% approval rate** in connection with our H-1B visa petitions and significant success for all other types of applications! And, our firm successfully represented an appellant in the U.S. Supreme Court - truly a very rare achievement for any law firm. Therefore, you can have full confidence in our ability to best represent your organization and foreign personnel.

Why Choose Us? At NAWLAW the Client Comes First – It’s All

About Service & Relationships – a Proven Recipe for Success

As a medium-sized immigration law firm, we offer our clients the best of both worlds. We have the research tools and support resources of a large firm as well as the specialized and customized focus of a boutique practice. At our current size we have achieved the optimum balance and are fully committed to remaining providing our clients with optimum results and the finest level of service available. We firmly maintain that effective immigration legal

practice cannot be performed on an assembly line basis by relying solely on paralegals as is often the case with many of our competitors. Using an effective blend of attorney guidance, acumen, involvement and direct participation in each case is part of our proven recipe for success. At NAWLAW, our seasoned attorneys are always directly involved in the entire process from start to finish. Hence, customer service is the bedrock of our practice and our daily mantra because we recognize the value of the attorney-client relationship.

Our success is founded on our **ability to devise winning, cost-friendly and prompt solutions to a variety of immigration challenges and problems**. Our services are always conducted in an environment of **professionalism**. Moreover, we believe in **keeping our clients informed** at each and every step in the process. *Communication and accountability* are key ingredients at Neil A. Weinrib & Associates.

Overall, our firm's approach is threefold:

1. We thoroughly **analyze the client's needs**, evaluating both their short and long term goals;
2. We **quickly forge the most effective immigration solution(s) available** within the context of the existing laws and regulations;
3. We **guarantee diligence and professionalism** through **conscientious client follow-up** and effective **communication**; and
4. We fully recognize that immigration is **time-sensitive**. Our goal is always to obtain the desired immigration benefit as quickly as feasible.

Our Staff of Immigration Professionals

Our clients can rely on a multi-lingual and experienced staff working in concert and seeking to ensure the success of each application and case. With more than 35 years' experience our highly experienced teams of attorneys and legal assistants provide clients with peace of mind that can only come from a **proven track record** in a very demanding and constantly changing environment.

To provide the most effective immigration solutions for our clients, NAWLAW has adopted a **team approach**. Each team (e.g. H-1B, Green Card, etc.) is specialized and versed in a particular area of immigration law and the team members provide an integrated support network to our clients. This approach enables us to ensure the most up-to-date and reliable immigration information in each practice group of our firm. Legal updates and changes in procedure are then disseminated throughout the firm guaranteeing a coordinated practice to maximize favorable results for our clients.

Our Work

We have **extensive experience** and have achieved **unprecedented success** in obtaining nonimmigrant (temporary) visas as well as lawful permanent residence (i.e. green card), both in the areas of labor certification and job sponsorship.

Furthermore, we have succeeded in obtaining "National Interest Waivers" and lawful permanent residence for "exceptional", "outstanding", and "extraordinary" professionals in many fields including business, medicine, the arts, and the sciences which considerably reduces the lengthy processing time. We have also achieved excellent results in regard to navigating the PERM labor certification process and obtaining fast approvals from USCIS.

In addition, we possess considerable expertise in regard to employer compliance with federal regulations (e.g. I-9 compliance) and regularly handle matters on a nation-wide basis and through U.S. Consular offices abroad.

Some of the primary categories of nonimmigrant visas that are processed by our firm include the following:

B-1 – Business Visa

E-1/E-2 – Treaty Trader/Investor Visa

H-1 – Work Visa

H-2 – Temporary Working Visa

H-3 – Training Visa

J-1 – Exchange Visitor Visa

L-1 – Intra-Company Transfer Visa

O-1- Extraordinary Ability Visa in both Business and the Arts

Q-1-Cultural Visa

TN – NAFTA Visa

Integrity and Innovation in Immigration
